

PERSONAL STATEMENT

My personal work ethic is: "finish what you start." I do everything in my skillset to get things done.

I have previous experience in highly creative work, including: copy-writing scripts and articles for product review videos and blogs; hosting online videos and virtual conferences; livestreaming both as an independent Twitch.TV affiliate and as a partner of multichannel networks; designing mobile games and applications for iOS and Android devices at indie as well as multinational game studios; managing and growing online communities for brands and products; contributing non-fiction journalism as well as creative writing to various publications; editing digital video and images; designing websites/blog layouts; and much more.

If you're looking for someone flexible and diversely skilled, who's capable of functioning in stressful work conditions and has the passion to keep learning and applying new knowledge and masteries, you've found the right guy.
